Dear Julie,

On behalf of the Equality Community Center (ECC), please accept our heartfelt gratitude for your extremely generous contribution to fulfill your pledge to our Capital Campaign. Your contribution of \$40,000 was received on 01/10/2023.

With your support, the ECC is providing safe and inclusive space and resources for individuals and organizations to realize their fullest potential. Through the collective work of our LGBTQ+ and allied justice-seeking tenants, we are reminded of humanity's shared goals—to be seen, to be understood, and to create equity so everyone has access to the same opportunities for success and quality of life.

Those goals will remain at the forefront as we begin to move into phase three of the ECC, development of our new affordable housing complex for LGBTQ+ older adult, their families and allies. Planning is underway and we can't wait to share more details soon.

Inclusion, visibility, equality, and collaboration have the power to change lives for our Maine communities. We are thankful to you for joining us as a committed partner in our work. We look forward to sharing the successes of our efforts in the months and years ahead.

The ECC is recognized as tax-exempt by the IRS under Section 501(c)(3), and our Federal Tax Identification Number is 82-3939533. Contributions to the ECC are tax-deductible as allowed by law. No goods or services were received in return for this gift.

Our records indicate that this contribution fulfills your initial \$50,000 pledged commitment.
THANK YOU!

Happy New Year!

Christopher O'Connor
ECC Manager

We are so grateful for your support and partnership! Looking forward to the road ahead.

Dear Glenn,

Thank you for the pledge installment in the amount of \$16,777, check # 105514, to the PROSPER Scholarship Campaign for Growth which completes your very generous pledge. Your support over the years has helped us grow and develop to better serve the community. We are sincerely grateful.

The PROSPER Scholarship program has invested in asylum-seeking students over the last four years to great success. Support from donors like you, who advocate for fair and equal opportunity for our new immigrant neighbors, makes our program success possible.

The PROSPER Scholarship Campaign for Growth is our boldest initiative to date. Your contribution to this effort serves as an inspiration to others.

Thank you for the enthusiastic support of the PROSPER Scholarship Campaign for Growth on behalf of the many asylum-seeking students who will benefit.

Sincerely,

Dear Glenn,

As the founder of Midcoast Youth Center, I would like to personally thank you for making our work possible. Your generosity this past year allowed us to carry out our mission of empowering youth to be healthy, engaged, and resilient, by offering recreation, education & enrichment, leadership & life skills, referrals to mental health support & substance use treatment, and support to youth experiencing homelessness.

Your generosity gives us hope to pour our full effort and heart into helping youth thrive in Sagadahoc County, Brunswick & Harpswell.

2022 donation total: \$10,175

Dear Glenn,

On behalf of the YMCA of Southern Maine, thank you for your generous contribution payments totaling \$2,500 in 2022. Please retain this letter for your tax records.

Your investment in the Y last year had tremendous results. Together, we have made the following possible:

- Families returned to the Y for swim lessons, karate, yoga, music and more.
- Children learned about themselves and the world in Prime Time, Summer Camp, and preschool.
- Adults and seniors found fellowship and health in group exercise classes.
- Men facing homelessness experienced safety and stability.
- Families relied on the Y's childcare so they could work, learn and increase their opportunities.

Most importantly, we continue to ensure that the Y is affordable to all. We have accomplished all of this thanks to you, our donor. This would not have been possible without your generosity.

We are so grateful for your investment and proud of our shared progress. Here's to the potential that lies ahead in 2023 and beyond.

Dear Mr. Hutchinson,

My name is Cynthia Watson and I am the treasurer with the Boothbay Region Housing Trust, a 501(c) (3). We recently received your generous donation of ten thousand dollars and wanted to personally thank Bath Savings Institution. Your bank is truly making a difference and the Boothbay Region Housing Trust values your support.

The Boothbay Region Housing Trust has been working hard for two years to build affordable homes for the working families in our region. We appreciate each and every donor and we wouldn't be where we are today without your support. You may not be aware that twelve hundred cars and trucks come down our peninsula each day and leave between four and five p.m. It is those workers we are helping to live in the community in which they work.

With your contribution, we are one step closer to building seven, three bedroom and two bath homes within walking distance to the town, local school and YMCA. We anticipate completion of all seven homes by the fall of 2023. The homes will be sold for considerably below their cost and value, thus making them affordable.

Again, I thank you and note that the Bath Savings Institution received no goods or services from the Boothbay Region Housing Trust in consideration of the contribution.

Thank you,

Dear Glenn,

Thank you for Bath Savings Institution's generous gift of \$33,333 to Tedford Housing in support of our capital campaign for a new emergency housing building, made on April 14, 2023 as the first payment towards Bath Savings Institution's \$100,000 pledge.

After years of planning, we are excited to finally be moving forward with our new facility and look forward to breaking ground soon. Your gift will help make this long-time dream a reality.

Every day, we see how our programs and services are improving the quality of life of our neighbors in the community. But we also see that there are many more people who need our help. By supporting Tedford Housing and our new emergency housing building, you will be assisting Tedford's Board and staff as we help our neighbors in need through the creation more beds and more efficient and consolidated services.

Thank you again, and if you would like to become more involved with Tedford Housing and our work in the community, please feel free to contact me at andrew@tedfordhousing.org.

THANK
You!

Dear Glenn,

Thank you for Bath Savings' recent gift of \$1,000.00, in support of this year's Open House event to be held on September 14. We're so grateful for this partnership!

With Bath Savings' help, Genesis is doing more than ever before in our history to build hopeful futures for individuals and communities across Maine and beyond. **We're pleased to share with you that we've just closed a record-setting fiscal year of lending, with over \$16M in community development loans made in FY23!** These loans supported over **23 local affordable housing and community infrastructure projects** for the benefit of thousands of people in Maine and New Hampshire.

Bath Savings' sponsorship will help us celebrate these accomplishments with your organization and the rest of our mission partners – who, like you, share our commitment to building thriving, equitable communities for all people.

We frequently receive grateful feedback from those whom we work with and serve—*and you should, too!*

"Thank you for providing a wealth of information." "Thank you for such quick turnaround." "Thank you for your confidence in us." "You've brought such a genuine warmth and generosity." "You have been fantastic."

Bath Savings Institution's ongoing partnership makes this work possible, and helps us direct critical resources to the people, projects, and places that need them most. We are so grateful for your support!

Sincerely,

Liza Fleming-Ives
Executive Director

The Federal Home Loan Bank of Boston is pleased to make a cash award of \$2,000 through its Grants for New England Partnerships (GNP) program to Habitat for Humanity/7 Rivers Maine on behalf of Bath Savings Institution. Under the GNP program, eligible institutions choose a nonprofit organization to receive the award. Bath Savings Institution became eligible for its participation in the Community Development Advance (CDA) program.

The GNP program was established by the Federal Home Loan Bank of Boston to recognize the importance of partnerships between our member institutions and community-based nonprofit organizations in developing successful community investment initiatives. It is because of your important work in your community that Bath Savings Institution chose Habitat for Humanity/7 Rivers Maine for this award.

Please accept our congratulations. Per Bath Savings Institution's instructions, our award has been processed and payment has been deposited to your checking account with Bath Savings Institution. Feel free to contact Paulette Vass, community development advance manager, at 617-292-9792 with questions.

October 27, 2022

Dear Glenn,

Since our meeting several months ago, the Y's plans to expand its child care facilities and programs have evolved and improved considerably. But the objective, to serve more children and families in the area while continuing to offer the highest quality of fully certified care, remain unchanged.

As we discussed, the need for substantially more child care in our mid coast area is clearly evident, with inadequate capacity impacting the lives of children, families and employers desperately attempting to fill vacancies. This facility expansion, the first since our current Y opened some 25 years ago, will further add to the YMCA's reputation in mid coast as a great area asset.

The expansion of the Y's early childhood education program will:

- Increase the number of child care slots from 52 to 108
- Increase unduplicated children served annually from 80+ to 170+
- Include critically needed care for infants and toddlers

The Y's basic strategy is to approach this expansion as a coordinated multi-phase process:

- First, to create new capacity for 32 preschool children rapidly and provide a phased transition into the much larger program. Plans now call for construction of a "stand alone" two-classroom structure to be built on Y land (between the Y and Little League fields). The new facility will be built within approximately one year costing \$600,000. Having this permanent new facility operational relatively soon will permit child care managers to increase staffing and slots faster. Also important, building this stand alone facility reduces overall construction estimates by \$620,000. The Y anticipates receiving final regulatory approval to proceed with this stand alone facility within a month. In effect, this approach provides the fastest possible expansion, saves money, and allows staffing and child care numbers to be increased gradually compared to the original plan.**
- An extension attached to the current building for child care will still proceed—but with six classrooms rather than eight. The extension will include those classrooms, furnishings, a kitchen, administrative spaces, increased parking, landscaping, cost**

contingencies, fees etc. When completed, Y child care slots will increase to 108, and infants and toddlers will be accommodated for the first time.

- C. The combined cost estimate for A and B above is \$7,062,000. Thus far, our very limited requests and quiet fundraising surveys, coupled with two highly probable government grants, have secured commitments and probable donations of \$2,846,000.

Aware of the great need and confident the total goal can be reached, we are accelerating and broadening the quiet campaign. Although our first step described above will proceed now, our objective is to complete the total fund raising challenge quantified above within one year, enabling construction of the Y's child care extension to get underway with no delays.

Bath Savings Institution and the Bath Area Family YMCA have maintained a wonderful business and community focused relationship for decades—to the great benefit of mid-coast Maine citizens. I am writing today to ask if you will please consider making a commitment of \$300,000, payable over three years, to this campaign.

Included with this letter is more detailed information pertaining to the Y's planned expansion. Please contact me if further data would be helpful or if you or your staff would like to meet with those who have been deeply involved with the development of this project.

Glenn Hutchinson
Bath Savings Institution

Bath, ME 04530

Dear Glenn,

I'm contacting you to request that Bath Savings consider support for our organization's "Fuel for Friends" program for 2024. Your donation for 2023 was \$3,000.

We would be appreciative of any support you can provide as fuel costs are running very high this year and much of the COVID assistance provided during the past three years is no longer available, making our program very important for those in need.

In 2023, we used a total of \$11,500 provided by our four local financial institutions to setup a "challenge" to our organization's donors to give. With this challenge, we had numerous donations from the community including many first time donors. All together we were able to provide \$20,000 of assistance locally to those in crisis.

As a reminder, The Corporal Works of Mercy(CWOM) Society of St. Mary's Church is a 501(c)(3) non-profit that was established in 1930 by local business people who were parishioners of St. Mary's Church. CWOM was founded following the great depression of 1929 to assist needy widows and families who had the most fundamental needs such as food, housing, clothing and heat. At that time, there were no social service agencies and it was truly neighbors helping neighbors. Without the help provided, many would have gone without food, housing and heat. Our mission today remains unchanged.

Today our organization exist to help people in the greater Bath Area(Bath, Woolwich, Georgetown, Arrowsic, Phippsburg, West Bath, Dresden, Wiscasset) who have immediate need for heating assistance. While we have roots in St. Mary's Church, **our funds are distributed throughout the community with no consideration of religious beliefs or church affiliation.** Those in need are provided assistance no more than once per year. We work with Midcoast Maine Community Action to screen applicants and disburse funds under guidelines we provide. We typically provide assistance that averages \$500 to approximately 40-50 families per year with this program. Often this covers 100-150 gallons of fuel oil for someone who is totally out. Our organization is 100% volunteer run and we have no rent or staff salaries.

Your organization will receive positive recognition with a broad base of the Bath Area who donate. Please let us know if we can count on your support by March 1st, 2024. If you are able to support us, checks can be mailed to Corporal Works of Mercy Society, c/o Craig Burgess, Treasurer, 48 Cottage Lane, Brunswick, ME 04011. If you need an invoice or receipt for your donation, just let me know and I'll provide that. We can also participate in a photo to allow you to promote your giving if you so desire.

If you have any questions or need additional information, please don't hesitate to contact me.

Regards,

Craig R. Burgess - Treasurer
Corporal Works of Mercy of St. Mary's Church
